

Policy Document No. 14

Advocacy Committee Policies

It was decided that the board meeting of February 7, 2014 that the advocacy committee will act in the following manner when acting on issues for NOTIS:

- The advocacy committee will decide which issues to address, decide on positions, and draft communications
- These communications will be circulated to the executive committee, and the whole board will be copied
- Board members will direct any comments or questions to the executive committee and the advocacy committee chair
- The executive committee will provide final approval
- Letters will be signed by the NOTIS president
